

QObject

QGraphicsPixmapItem

Bullet

```
classDiagram
    class QObject
    class QGraphicsPixmapItem
    class Bullet
    QObject <|-- Bullet
    QGraphicsPixmapItem <|-- Bullet
```

The diagram illustrates a class hierarchy where the 'Bullet' class inherits from both 'QObject' and 'QGraphicsPixmapItem'. The 'Bullet' class is positioned at the bottom, with two arrows pointing upwards to the 'QObject' and 'QGraphicsPixmapItem' classes, which are positioned at the top. The arrows indicate that 'Bullet' is a specialization of both 'QObject' and 'QGraphicsPixmapItem'.
